Floribunda Rose

JANE McGRATH - Bred in Australia, this variety has quartered, old world style, pale pink blooms. Slightly arching form. Named in memory of Jane McGrath. \$1 from the sale of each Jane McGrath Rose will be donated to the McGrath Foundation. 100cm x 80cm.

David Austin Rose

Old world charm and fragrance for the modern rose garden that's what David Austin roses are all about!

MUNSTEAD WOOD (Ausbernard) - Large, shallow cupped, deep velvety crimson blooms. Strong old rose fragrance with notes of plum and berry fruits. 100cm x 80cm.

Hybrid Tea Roses

Classic, long stemmed, large flowered roses. Enjoy them in your garden and as cut flowers in your home.

GOVERNOR MACQUARIE - Fragrant, shining pink blooms. Healthy grower, noted for good disease resistance. Height to 185cm.

POPE JOHN PAUL II - This exceptional new hybrid tea rose has received top ratings for vigorous growth, disease resistance and form. The Pope John Paul II rose produces large, luminous pure white blooms, beautifully finished with a delightful fresh citrus fragrance. 120-150cm.

ST JOHN ROSE* - Beautiful, classic blooms of deep, velvety red. Some near black tones especially towards the outer petal edges. Intense rose and citrus fragrance. Height to 150cm.

Delbard Roses

The Delbard family have been breeding fine garden roses in France since the 1950s. Now Dawson's offers you a complete range of beautiful Delbard garden roses, all with that undeniably French romance and sophistication.

CHATEAU VERSAILLES* - Apricot-peach tones, softening to pale cream towards the petal edges. Double blooms with wavy petals. Strong sweet perfume with notes of freesia, apple and raspberry. 150cm x 120cm.

EDGAR DEGAS* - Semi-double blooms of amber-yellow, overlaid with raspberry-pink flecks and splashes. Variable blooms are a novelty, no two blooms are alike. 140cm x 120cm.

HOMMAGE a BARBARA* - Double deep blood red blooms. Beautifully fluted petals, developing black tones towards the edges. 120cm x 120cm.

**Note: Limited availability of these varieties during first year of release.*
